Higher Order Questioning in Literature

C	Comprehension	**Factual questions which have a defined answer- normally explicit in the text for instance.** Eg What colour is the ball?
I	Inference	**Questions which exist in the world of the text.** Eg What colour ball do you think John might prefer to have and why?
A	Authorial Craft	**Questions which recognise the idea that the text is a construct.** Eg Why might the author choose to use a pink ball as the focus of the discussion?
